Fun In Work

Foreword

1953 is the year of many beginnings. A new President of the nation has begun a new term. This year is also the beginning for the Class of 1953. Each will go his own way, but through this book memories of friends and good times will remain.

Thanks To Our Friend

Through the years you will remember Miss Marietta Maguire whenever you think of Marple-Newtown. None can forget her continual notices paging us to the office, the fun she brought too us when she went to the U.N., and her endless service to the school. We dedicate this yearbook to Miss Maguire with her helpful smile, cheerful disposition, and ready hand.

DEAR MEMBERS OF THE SCHOOL BOARD,

We of the '53 wish to express our appreciation to you, the hard-working group who run our schools.

During our years at Marple Newtown we have seen the building grow. We have enjoyed the new wing that was the result of your thoughtful planning, the freshly-painted gym, the cold-water fountains, and the new-look of paint and modern light fixtures in the halls.

To you, who have planned with our needs in mind, go our sincere thanks.

Sincerely,

THE CLASS OF 1953

SITTING-Jay W. Worrall, John H. Fredericks, Mrs. Hal Moore, Frank A. Capotosto, Melvin P. Hunter, Charles H. Russell. STANDING-Eugene W. Ewing, G. Biddle Young, William S. Culbertson, Wilmer F. Loomis, William T. Trowbridge, and Herbert E. Rathey.

SEATED CLOCKWISE: N. Bogardus, J. Allen, S. Nicholl, D. McClune, E. Coan, D. Wardle, B. Townsend, L. Fisher, A. Hulton, M. Gilbert, P. Tarleton, S. Dulaney, STANDING: P. McDonald, R. Lytle, N. Staff Meets Deadlines

"There will be an important meeting of the yearbook staff in Miss Yeingst's room during lunch study" were the familiar words which brought the yearbook staff together this year. The hard-working group rushed to meet deadlines, argued about covers, and pulled together to make their yearbook one that they will remember.

Administration On The Job

Supervising Principal's Message

One of the outstanding characteristics of life in America is the opportunity offered the individual to make a fresh start after fate has treated him roughly and he feels that his personal affairs are in a pretty sorry condition. This chance of making a new beginning has been described in various terms by different organizations. We hear a great political party talking about the "New Deal," and a prominent religious organization using the slogan - "A man may be down but he is never out." Such ideas are, without doubt, very encouraging and have been an incentive to many unfortunate individuals to "put their shoulder to the wheel" and do something about it.

But keep in mind that the person who does not need to make a new beginning is in the preferred position. He is the type that in school takes advantage of all its opportunities for self-improvement. He is the pupil who, even though he might be compelled to join the armed forces, will nevertheless keep on making his best efforts regardless of what the future holds. Remember that making a fresh start very often is analogous to taking the wrong fork of a road. In order to get on the right road it is necessary to come all the way back to the fork before resuming the journey. This involves a tremendous loss in time and effort.

And so, let us go about our work in such a way that we will endeavor to make our first effort a success, holding in the background the alternative that if we do not succeed at first, we will put everything we possess into trying to come out on top the next time.

Juniors Aim For New York

"New York or bust!' seems to be the byword of this year's Junior Class. We are working hard in every possible way to earn money for our New York trip. The year was started with a magazine subscription drive which netted us $785.86. Our concession at the M.N.A.C. games meant hard work but more dollars for us.

We've played a vital role in many other activities including sports, clubs, band, chorus, Mar-News, and Senior Play.

The Junior Prom, the biggest social event of the year, was declared a perfect ending to the school term.

Freshmen Swell Junior High

The Class of '56 welcomed several new students. Among whom were Wilma Grete, Grace Gilbert, and Don Gillespie.

We were particularly glad to see so many of our classmates participate in extra-curricular activities. We all worked hard to put on our first dance, which we gave in the spring.

Our student council representatives were Bob Feldkircher, Jim Kadel, and Tom Young.

We are proud to be Freshmen!

"Single File, Please"

Because of the crowded conditions in the building, the job of the Monitors has become increasingly important. This year the Monitors got orange and black Monitor buttons. These buttons served as identifications for the Monitors. Besides serving during school hours, the Monitors helped out during the P. T. A. openhouse. Sally Nicholl, who was Captain of the Monitors, conducted meetings throughout the year.

Student Council Takes New Responsibility

For the second year, the Student Council has been given school time to hold its meetings.

This year the Council, under its revised constitution, has been studying the possibility of organizing a student court. To do this, they placed in the hands of the students, a questionnaire concerning the types of cases to be tried, how many representatives will be on the jury, and how these representatives will be chosen.

One of the other actions of theStudent Council has been the issuing of awards for extra-curricular activities.

A vote of thanks should go to these, our representatives in the administration of our school, and we should give them even more support than we have in the past.

Paper Serves School

Under the leadership of their new advisor, Miss Carey, the members of the Mar-News staff worked this year to interest and amuse the students. The paper included five issues of news articles, stories, peoms, and crossword puzzles.

Eve Coan and Betty Hormann representing the paper at the Pennsylvania School Press Association Convention in Altoona, brought back ideas about ways of improving the paper, and some of these ideas are being used.

The newly formed Mar News Club, which meets in the regular school club period, has helped underclassmen to learn how to edit a school newspaper. Through this club the Mar-News will be able to continue serving the student body.

"Spychologist Diagnoses Family"

The production, "The Little Dog Laughed," was given an December 5, in the high schaal gymnasium.

Tri-Hi-Y Serves Community

"To create, maintain, and serve" is the Tri-Hi-Y motto. This year the Tri-Hi-Y has concentrated on service. Starting in January, about ten girls went to the tuberculosis ward at Valley Forge Army Hospital on the third Sunday of every month. The club contributed to CARE packages for Holland and other worthwhile causes.

Memories of this year for members of the Tri-Hi-Y were the initiation and party at Betty Berry's house, the swimming part at West Chester, and the annual Mother-Daughter banquet.

Hi-Y Lends A Helping Hand

Officers for the year were Myrick Freeman, president; David Low, vice-president; Allan Bortle, secretary; Charles Cella, treasurer; and Richard Gross, sergeant-at-arms.

Mr. Wertz and Mr. Trawney were very capable advisors.

The new members were initiated on October 1. All the members ended the day with a bachelors' party in the field behind Dick Gross's house.

The first acitivity was the Hi-Y Hop on December 13 featuring Buck Hunter's orchestra. With money made from this, the club purchased a United Nations' flag and sent CARE packages to Holland.

A swimming party at West Chester was the last activity of the year.

Clubs Shou

LIBRARY ASSISTANTS CLUB

Energetic girls of the Library Club are found working in the library in their free time helping Miss Sachse, their new sponsor. A few of the many duties of these girls are preparing new books and pamphlets, keeping the shelves in order, and making colorful bulletin board displays.

CHESS, CHECKERS, DARTS

Members of the club, after learning the rules of the games in the beginning of the year, competed with each other to determine the champion player of each activity at the end of the year.

AVIATION

Mr. Watson's eager young men studied, during the year, the types of airplanes and flying techniques used by military and civilian pilots. Also, they did some work with model airplanes.

FUTURE TEACHERS CLUB

M.N.'s future teachers at their meetings discussed the opportunities, the history, and the program of the organized teaching profession. The purpose of this club is to interest the girls and boys in education as a lifelong career.

DEBATING

Resolved.....In order to train M.N.'s debating teams for future years and give the present team members practice the debating club was formed. During club periods they have practice debates and discuss the topic of debate for the current season.

SPORTS INFORMATION

Sports fans of the junior high school broaden their-knowledge of sports through this club. They study the rules of current sports and make predictions about scores and champions.

ART

M.N.'s artists have devoted their club periods this year to transferring Pennsylvania Dutch designs to small wooden boxes and table mats. Spring brought a new activity which was outdoor sketching.

HOUSEHOLD MECHANICS

Eighteen girls were kept busy learning the skills of handling household emergencies such as blown fuses and faulty electric plugs by their director, Mr. Guth. Another project completed during the year was a wooden door stop.

CHEF CLUB

Hm! Something smells good! Young chefs each club period learned how to cook something new, and, best of all, had a feast afterwards.

MAJORETTES

The high steppers in the majorette club spent many hours of practice preparing to lead M.N.'s coming marching band. To earn money for uniforms the majorettes gave a dance in the spring.

Many Interests

HOBBY MODELS CLUB
Boys interested in model making have constructed models of airplanes, ships, trains, and automobiles. Several times during the year these models were displayed in the shop show case.

PROJECTOR CLUB
The growing use of visual education in our school kept the projector club boys busy. Among the machines they learned to work are the movie projector, tape recorder, loud speaking system, and the film strip projector.

GYM CLUB
Mr. Pittman's athletes devoted most of their time to learning the skills and rules of basketball. Many half-count games of basketball in this club provided extra practice time for team members.

SCIENCE
To develop and foster the pupils' interest in science and to provide a means for pupils to work on projects were the main goals of the science club. Any odd odors or loud noises may have originated from the science lab. on club days.

GARDEN AND NATURE STUDY
Under the leadership of Mr. Rathey, the members of the Garden club have had speakers and have learned many things about horticulture.

DANCING
To have fun and learn the social graces, join the dancing club, Here was a wise motto for junior high students this year. The dancing club members learned modern dancing in all its phases from their instructor, Miss Baldwin.

PHOTOGRAPHY CLUB
The newly formed photography club has discussed types of cameras and photography to broaden their knowledge of their hobby. One of their activites was developing film.

SERVICE AND MAINTENANCE
Any time bleachers had to be moved or repair work done, Mr. Harvey's boys were called upon. Many thanks go out to them for their assistance.

JUNIOR CHORUS
Members of the junior chorus enjoyed singing a variety of songs at their meetings. In the spring of the year the junior chorus was featured in the spring concert.

CARD CLUB
Learning one of man's favorite pastimes, the young men in the card club passed many enjoyable hours.

Senior Chorus Works Toward Performances

This year the Senior Chorus has been rebuilding. Under the direction of Mr. Donald Reber, the chorus worked hard for the Spring Concert and Baccalaureate.

Several members of the chorus sang in the district chorus.

Band Earns Uniforms

With a new director at the helm, the M-N band progressed far enough to give a concert in February, which was a big success. The concert was helped by a large number of patrons. The proceeds from this concert went to buy uniforms for the new marching band. The band also got $500 from the Lions Club. The band expects to have uniforms next year. Much credit is due Mr. Doran for his initiative and enthusiasm and to the Band Association for its interest.

Debaters Try to Repeat Last Year's Championship

Again the debating team has had a good year. The present record of the team is four victories, two losses. The four speakers, who debated whether or not the Atlantic Pact Nations should form a federal union, were Sally Nicholl and John Gillmor for the affirmative and Nancy Fowle and Dorothy Wardle for the negative.

M-N Beats Springfield

They said, "Beat Springfield!" so we did.

From four returning lettermen, Coach "Fanny" Nye moulded a light but fast ball club that won three out of nine games.

Our first two victories were over Spring City and Collegeville-Trappe by identical scores of 32-6. But our most satisfying triumph came on Thanksgiving Day when we edged Springfield 13-7 in the final minutes of the game. It was the first time since 1945 that we had defeated our annual rivals. Much of our success can be given to the coaches, William Nye and William DeCampli.

At the annual banquet given by the athletic club awards were made by Hal Moore to Eddie Halley, Most Valuable Player; Harry Selverian, Sportsmanship; and Pete Turner, Lineman of the Year.

Fortunately, injuries were few; but to lose Juniors Tom Moore and Bob Grete for half of the season left a hard-to-fill gap in the backfield.

Captains for the year were Pete Turner, Harry Selverian, and Jim Bortle.

Backs: R. Trowbridge, T. Moore, E. Halley, J. Bortle. Line: C. Shisler, J. Malin, H. Selverian, P. Turner, R. Shaw, R. Cubbler, R. Grete.

Hard Line-play Brings Results

The coach, Mr. Robert Pittman, admitted that the team was pretty green at first, but it showed great improvement by shellacking Nether Providence 34-0 in the last game of the season.

The overall record was one win, three losses, and one tie.

The co-captains for the season were Don Gillespie and Don Haney.

Varsity Sticks Clash

Careful, They Bite

With a "Whoo rah, Baldwin, whoo rah, McKaig," our hockey team charged on to the field to win a terrific victory over Haverford by a score of 2-1. Next came Nether Providence which we tied in a hard-fought game with a score of 1-1. Then as the Aspergum ran out, so did our victories; but the girls never lost their spirit. They continued to fight hard for the rest of the season but never quite came up on top.

Seniors lost through graduation are Patti McDonald, Marie Battista, Diane MacLaughlin, Judy Parks, Pat Lamb, Betty Berry, Nancy Bogardus, Dot Wardle, Carol Cronk, Ruth Burton, and Sbirley Dulaney.

We give three cheers for the J. V. who should really make a terrific varsity next year.

Two "I Like Ike" buttons are due for swell managers, Pat Tarleton and Sally Nicholl; and many thanks, to our coaches for a dilly of a party.

Jayvees Brighten Future Prospects

M-N's Varsity basketball team improved throughout the season. The Jayvees had a very good season with twelve victories and five losses. This fine team is assurance of good years to come.

The men teachers played the varsity in an exciting game. Everyone who saw the game will remember it.

Jim Bortle was high scorer, followed by Ralph Cubbler.

Interest Keen In Basketball

A record turn-out of girls for the '52-'53 season made M. N.'s basketball hopes look bright. With Judy Parks as Captain, the girls went eagerly into their first game, but they lost to Nether Providence 35-28. Hampered by injuries throughout the season, the girls lost to Prospect Park, and Radnor. The Radnor game was probably the hardest-fought game of all, but the varsity still came out on the bottom of a 41-32 score.

The M. N. drive for victory was stopped again and again by Yeadon, Sharon Hill, Springfield, Ellis and Clifton Heights, which was the best-played game of the season.

New Squad in Action

This year for the first time M. N. had junior high cheerleaders. Members of the squad were from the seventh, eighth, and ninth grades.

These spirited girls, with Debbie Wallace as their captain, cheered at all home junior high sport contests and at occasional away games.

All Together, Now

More Bounce To The Ounce

"Give 'em blood and give 'em thunder!" This is only one of the cheers that "Pat" and her peppy squad used to inspire the teams to victory and boost the morale when the going got tough.

The cheerleaders were generously given new uniforms. It certainly knocked your eyes out to see the girls in their snow white sweaters and black pleated skirts. Their thanks go to the organizations and individuals who made these new outfits possible.

Many thanks are extended to Miss Claire Baldwin for her many hours of work with the cheerleading clinic. It taught them good sportsmanship.

Even though we lose three cheerleaders by graduation, we feel that next year's squad will continue to keep up the good work and cheer our teams to more victories.
